# New RV Park

## Appeldoorn's Sunset Bay is a Premier

**Resort** located on the South East side of Lake Mille Lacs. We now offer 3 Season RV Lots that will be available for occupancy starting May of 2010. These spacious lots include Sewer Hook-ups, 30 Amp or 50 Amp Electrical Service and Water Hookups. This RV Park features 35 Premier Sites with a minimum of 2000 sq. ft. per site, many of them much larger.

## Why Lease an RV Site?.

The answer is quite easy. You will enjoy all of the benefits of having a place at the lake, with none of the hassles that go along with it. No need to worry about paying Property Taxes, mowing the lawn, or any of the other things associated with a place on the lake. Just kick back on the beach and relax.

## Having a n RV Lot with us

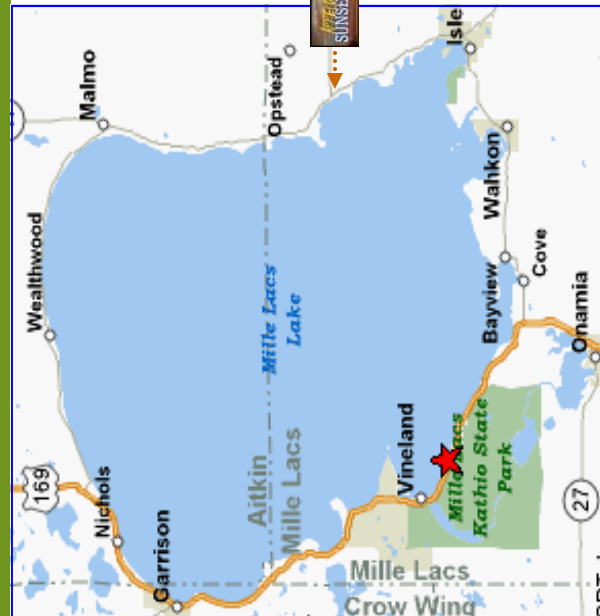

has several advantages. Are you tired of the hassle of packing and unpacking? Sick of towing your RV back and forth and trying to find an open site somewhere? Eliminate all that with a Seasonal Site and start enjoying all of the amenities that our Resort has to offer.
